

Collaboration

'Let us consider how we may spur one another on toward love and good deeds.' Hebrews 10:24-25

When we work together we are stronger, we get more done and we can support one another.

Key Questions: What important role do you play in our School community? And in the wider community? What would happen if people stopped collaborating? How do our School Rules help our community? Is there something else/more that you could do to add to your community? Why is listening to one another so important? Can you think of ways to collaborate even more? Do we all have a responsibility to collaborate?

'Life in All Its Fullness' can be achieved when we all work together.
