

Hope, Love, Light

Key Questions: How are hope, love and light the same/different? What can we do to bring light, love and hope to others? Why do you think Christmas is seen by Christians as the season of hope? How does believing in God give hope to so many? Who or what brings hope, love and light to your life? Why do people all across the world celebrate light at this time of year?

“The city does not need the sun or the moon to shine on it, for the glory of God gives it light.” Revelation 21:23

The Good News: It's not the sun or the moon that lights up the world. Instead, it's hope and goodness that come from God.

‘Life in All Its Fullness’ can be achieved when we bring hope, love and light to others.
