

Remembrance

Memories are powerful.

Good memories can last a lifetime.

What is your earliest/best memory?

Who has left happy memories in your heart?

How do we remember those we no longer see?

How do we remember those who gave their lives for us?

How do Christians remember Jesus' sacrifice?

“This is my body which is given for you: this do in remembrance of me” (Luke 22:19). In remembering those we have lost, we are reminded to live

‘Life in All Its Fullness’.
